HOW TO USE THIS BOOK

TEST INSTRUCTION AND GUIDELINES

The Test Questions are a total of 1000 questions covering a broad range of topics including but not limited to Gear, Musicianship, Music Theory, Live Playing Situations, Music History, Drum Companies, and so much more. This is just a sample extract bearing 100 sample questions and they are given FREE to give you something to work with.

The Test questions can be self-administered, and have been carefully divided into a total of Two different tests in this Free Sample, with each test bearing 50 questions.

On average, it should take you about 20-25 seconds to answer any one of the test questions, and so an average of 25 minutes on any given test.

Much more than getting answers right or wrong please make sure to learn for that's the goal.
